Although under the provisions of section 24 of the General Clauses Act, 1897(x of 1897., the notifications issued under the old section 5 of the Factories Act, 1934, would continue in force ~~is~~ so for as they are not inconsistent with the provisionsof the new section 5, the new section 5 introduces the two new elements mentioned in the Statement of objects and Reasons to the Bill, which became India Act XVI of 1941, and therefore, it seems necessary to issue a fresh notification under the new section superseding the previous notifications.
For this purpose, a revised draft notification is sent herewith. The P & S D is requested to verify whether the revised draft notification duly carries out their intention.
